Family is where our story begins

Our Annual Family Reunion is where we continue to strengthen our family ties. With family togetherness we have it all. Since the last reunion much have happened.

Recap of 2016 Reunion

Hurricane Hermine brought heavy rain to Wilmington, but the reunion was able to keep its full schedule.

The Family Reunion opened with a "Meet-n-Greet" on Friday night at the Country Inn and Suites. On Saturday the family enjoyed a "Cookout" in the park. The reunion closed with a "Banquet Celebration" on Sunday at the Coastline Conference Center. Milton Sr. and Milton Jr. Draughon were the

"Masters of Ceremony." Our guest speaker was Clifton McLamb, the great grandson of Isham McLamb from the Minnie McLamb ancestry line. We serenaded with a melody of songs from May Williams. Linda McLamb Owens presented the family history and Ethel Draughon Hailey directed and acted in a "skit" that she wrote with other family members taking part.

Cliff left his post as President with "*high praise*" as he stepped down from this position. He nominated Linda McLamb Owens as president and with a show of support from the family, she accepted the position with no other nominations to consider.

Linda is the proud granddaughter of Henry McLamb, one of the founders of the family reunion. He was the son of Minnie McLamb Days, the daughter of **Dublin and Eliza Jane McLamb**. She brings over 30 years of experience working on the planning committee and has served as the Family Historian since 1987. She has worked in numerous capacities over the years.

Linda gave us our web presence that continues to discover new relatives. She has done several DNA test on family that have lead to new kinships. She setup the family Facebook page **linking** family from all corners of the world.
